Aptitude™ 480 Pedestal Open Front Student Desk Specifications

Frame/Bookbox: Large oval pedestal with built-in 18-gauge steel bookbox. 4" x 1-3/8" large oval, 16-gauge pedestal style leg uppers form cantelevered support pedestals on either side of the book compartment. Pedestals extend upward to support the top and have a minimum of 15" of Sima welding to the bookbox. The leg uppers are mig welded to the bookbox and a 5/8" U-Brace is welded to all four legs. Bookbox is 5-1/4" x 22" x 16-1/2" deep with rolled front edge. Frame is powder-coated after all welding is complete.

Frame/Bookbox Colors: Powder paint (Electrostatically applied powder- epoxy) available in standard Black. Optional Blue, Beige, Burgundy, Teal, and Grey. Custom colors available.

Inserts: Dual column 1.110" diameter, 16-gauge nickel/chrome plated tubing with punched holes to receive adjusting bolts. Leg adjustment uses self-tapping locking Bolts which pass completely through both upper leg and lower insert. Dual-bolt attachment at front and rear of each insert at 1" Increments. 360° welds at all tubing abutments.

Glides: 1-1/4" diameter, long-ferrule, case-hardened steel. Nickel plated with steel spring cylinder suspension joints and nylon base. Rubber cushioned, super silent, for use on carpet or vinyl floors.

Top Colors: Available in Beige Solid Melamine.

Optional Solid Melamine Tops: Available in Grey, Charcoal, Oak (not pictured), and Walnut.

Top: Solid molded thermoset plastic with smooth molded edges and permanent color throughout thickness. Top is attached using self-tapping screws into ten uniformly drilled holes. Top size is 26.6" wide x 19.25" deep x 5/8" thick.

Warranty:

- Limited lifetime frame warranty
- Eight year thermoset plastic warranty
- Two year finish/wearing parts warranty

Samples: Compliance with the specifications and verification of required quality levels may be determined by requesting samples.

Models:

- 480•Adjustable height at 1" Increments from 20" - 30".

Standard Glide:

Unique automatic height adjusting glides will compensate for unlevel floors at all four corners. Glides will automatically re-adjust themselves everytime you move the desk.
